Unique Features of Our Sales

All-Natural Product

SweetPotato Filling is made from fresh, all-natural ingredients and is a **healthier** product than other fundraising foods.

It fits well into today's healthier eating trends.

Convenient Product

SweetPotato Filling is delivered frozen in a pouch and is entirely ready to use.

Because you just thaw it, pour it, and bake it, this unique product fits well into convenience food trends, which makes it very **marketable**.

Versatile Product

SweetPotato Filling can be used for a variety of desserts, and can be **tailored** to the purchaser's tastes.

Also, because there is just one absolutely delicious selection, it is easier to handle at delivery.

Unique Features of Our Sales

Multiple Sales Methods

In order to **maximize** your sales, our SweetPotato Filling fundraising campaigns integrate direct sales by sellers, online-based sales through PayPal, Google Checkout, Amazon Payments, or mailed-in check, and sales sign-ups at partnering businesses

Customized Marketing Materials

To allow your purchasers to learn more about what they are supporting, Carver's Market will design and provide a **customized** sales brochure and website for your organizations fundraising campaign.

Special Sales Programs

Your organization can pledge 5% of your profits to a recipient of your choice. Carver's Market, LLC will **match** the amount: for a non-profit organization; in honor of an individual, such as a leader, teacher, or pastor; for a referring organization, or; for a multiple-group campaign.

Tailored Sales Incentives

Your sales incentives can be **customized** to your sellers' interests. In addition, your incentives can be goods and services from local businesses.

Community Foods, Community Investment, Community Benefits!

Carver's Market SweetPotato Filling fundraising campaigns provide a means for the community to contribute to the progress of its local institutions—**schools, churches, clubs, non-profits, museums**, etc.

Our brochure and online-based campaigns offer:

- Multiple means of making sales
- High profit margins
- Excellent seller incentives
- Ease of handling at delivery

Our SweetPotato Filling is sold in the same fashion as other frozen fundraising foods. One boxed unit contains **two** frozen, **1 ½ pound pouches**, three pounds of filling. The selling price is \$15.00 per unit; your profit is 40%.

Community-based fundraising with Sweetpotato Filling:

- Helps to build local institutions and businesses
- Facilitates the recycling of capital in the community
- Promotes a healthier, locally-produced fundraising food
